

# WREX #38

**It ain't time to roll on large plays when  
motherfuckers UP IN YOUR FACE.  
There's too much drama. When shit's like  
that, True Player don't force his moves.**

**He ain't rude, neither. That only brings  
more motherfuckers UP IN YOUR FACE.  
True Player limits himself to little plays.  
Makes minor adjustments in the  
operation to tighten shit up.**

**He can still get over. Streets ain't 100%  
fucked, like when it's dark out.**
